

GURU NANAK PUBLIC SCHOOL RAJOURI GARDEN

SYLLABUS 2026-27

CLASS: XI

BUSINESS STUDIES

Book: NCERT

General Objectives:

- To understand the fundamental nature, purpose, and historical evolution of business, trade, and commerce.
- To compare and evaluate different forms of business organizations, such as sole proprietorships, partnerships, and companies.
- To distinguish between the roles and operations of private, public, and global enterprises in a modern economy.
- To identify the various support services essential to business, including banking, insurance, and transportation.
- To explore emerging trends like e-business and outsourcing that are reshaping how modern trade operates.
- To examine the social responsibilities of businesses and the critical role of ethics in corporate decision-making.
- To learn the legal and procedural steps involved in the formation and registration of a company.
- To analyze different sources of business finance and how organizations raise capital for growth.
- To recognize the importance of MSMEs and entrepreneurship in driving innovation and economic development.
- To explain the mechanisms of internal trade and the complexities of conducting international business across borders.

What students will learn:

- Analyze the business environment to make informed decisions about starting or managing a venture.
- Determine the most suitable legal structure for different types of business goals.
- Evaluate the financial needs of a business and identify appropriate funding methods.

- Understand the ethical implications of business actions on society and the environment.
- Navigate the basic logistical and regulatory frameworks of both domestic and global markets.
